We are beyond excited dive into this dance year with your dancers. If the past two years have taught us anything, it is that we are all strong, resilient, and ready for what life throws at us. We are looking forward to bringing joyous moments to you and your dancers this year!

HMD Boutique is a satellite location of Hearts in Motion that specializes in dance education for children ages 9 & under. While we are only heading into our second season at the boutique, this is our 12th season in business at Hearts in Motion. We are looking forward to continuing to bring our reputation of excellence to the community of Ada.

In this brochure, you will find our school year schedule as well as information regarding tuition, studio policies, annual calendar, and more. For those that are returning, welcome home! For those of you joining us for the first time - welcome to the family! We can't wait for an amazing and adventurous year of dance with all of you.

Registration for classes at HMD Boutique opens up on July 28 and spots are limited! Don't miss out on getting a spot in your top choice class!

We are a Safer Studio

Hearts in Motion focuses on a hierarchy of measures to create a Safer Studio environment beginning with requiring students and staff who are ill to stay home, followed by frequent hand cleaning and good hygiene practices, amplified cleaning. Emergency plans in case of dangerous weather, fire, etc. have all been accounted for within our studio as well.

Miss Ali has been running Hearts in Motion since 2010. She is committed to creating a safe and magical space for dancers, families, and teachers where they can share their passion for dance! She is looking forward to a fabulous new season!

Studio Policies

Please keep in mind these important studio policies as you sign up for dance class. We appreciate your help to keep our space safe, clean, and comfortable for all!

Lobby

At our Ada studio, we do not have a viewing window for the dance studio so we will continue to stream class via zoom for the time being. We ask that you please try to limit one guest per dancer into the studio when bringing to class as our space is small. We ask that you consider dropping your dancer off if possible. There is a library, grocery store, shops and coffee all within walking distance!

Illness policy

Dancers should not attend class if they are sick in any way. Dancers with family members who are showing signs of illness or a fever may not attend class. The good news is that we are tech enabled! Classes will be live streamed to allow for the flexibility of taking class from home.

Makeup Policy

If you are unable to make it in person to class, we ask that you Zoom into class. If you are unable to Zoom, we can send you a pre-recorded class option. In some cases we may be able to allow a live, in-person makeup option if there is an available spot!

Snow Day Policy

If Forest Hills Public Schools are closed, we will also be closed for morning classes, but will always re-evaluate for afternoon classes by 2:00!
